SUMMARY

Product-focused design leader with 15+ years helping organizations turn complex ideas into intuitive digital experiences. Brings a unique blend of UX, marketing, agency leadership, and entrepreneurial experience to align customer needs with business objectives. Guides initiatives from concept through launch, partnering across teams to drive clarity, execution, and measurable outcomes. Builds AI-enabled systems that enhance research, decision making, and product execution while keeping human insight at the center.

CORE EXPERTISE

Customer Journey Mapping • Brand Strategy • Information Architecture • Interaction Design • Digital Marketing • Conversion Optimization • Rapid Prototyping • Usability Testing • Cross-functional Leadership • Agency Ops

EXPERIENCE

Managing Director

Sep 2010 – Present

Linx Media — San Diego

- Established a structured delivery framework from discovery through launch, improving consistency and execution across concurrent projects.
- Directed design across web and application experiences, ensuring usability, responsiveness, and alignment with business goals including engagement and conversion.

Account Director

Sep 2023 – Jun 2025

REAKT Agency — San Diego

- Served as the bridge between client vision and product execution, guiding website, and digital initiatives from concept through launch while aligning business, design, and technology priorities.

Co-Founder | Client Partner

Nov 2015 – Sep 2023

Kontakt Mobile Marketing — San Diego

- Co-built and scaled a mobile engagement platform delivering national campaigns; led strategy for mobile-first experiences driving engagement and in-store conversion.
- Directed cross-functional teams to deliver campaigns at speed within rapid timelines.

Founder | Consultant

Jun 2021 – Jun 2023

Kontakt XR — Los Angeles / Chicago

- Led strategy for AR/VR and WebAR experiences focused on intuitive interaction and reducing friction, delivering no-app-required mobile access for clients.

EDUCATION

UC San Diego — Certificate 2026

Completed UC San Diego's accredited UX/UI Design Certificate Program, covering UX research, prototyping, responsive design, UI design, and front-end fundamentals. (4.0 GPA 10-month program)

SmythOS AI Agent — Certificate 2025

95 lessons of hands-on training covering AI and LLM fundamentals, advanced prompting, API and tool integration, multi-agent workflow orchestration, and deployment as HTTP APIs, and embedded applications.

ICON Collective — Music Production and Business Program (Alumni, 2023)

Completed one year of accredited study at ICON Collective, Burbank, CA. Coursework focused on music theory, marketing, audience development, and digital audio/video production across 27 courses.
